CURATE YOUR CHRISTMAS HOME

---

2022 CHRISTMAS COLLECTION

We are super excited that families can gather together again this Christmas! This collection is designed with the goal of making your home feel extra special, whilst capturing the best of our 'Kiwi Summer'.

This year's Christmas collection consists of 7 ranges including 'Jingle Bells' (with traditional reds and greens), 'A White Christmas' (classical greens and whites), 'Coastal Christmas' (for the beach house), 'Foraged Christmas' (for a gathered garden feel), 'Woodland Christmas', 'Christmas Fern' and 'Hot Summers Day.'

Our small team make all of the wreaths and garlands by hand in Auckland using many individual stem components that we spend most of the year sourcing. The hand-crafted nature means that no two pieces are ever identical, stocks are limited, and pre-order is required. We include storage/gift boxes with each piece to keep them safe for many Christmases ahead.

We want to make it as easy as possible for you to recreate these looks in your home for Christmas (or for summer dinner parties), so the accessories used in our styling are also available for purchase.

Pre-Order now for Oct/Nov delivery.
